

His Excellency Fisichella at the Presentation of the Book “Iubilaeum Nostrum, the Jubilee of the Two Popes”

Yesterday, 6 October 2026, the presentation of the volume “*Iubilaeum Nostrum, the Jubilee of the Two Popes*”, written by Hon. Daniele Sabatini, Regional Councillor of Lazio, took place at the Conference Hall of the Spanish National Church, at Via Giulia 151, Rome.

The event featured as a speaker His Excellency the Pro-Prefect of the Dicastery for Evangelization. Numerous institutional, civil and religious authorities were in attendance, along with representatives from the cultural world. The welcoming addresses were delivered by Mons. José Jaime Brosel Gavilá, Rector of the Spanish National Church, and Hon. Giampiero Cannella, Undersecretary at the Ministry of Culture.

The meeting was moderated by Francesco Cozza Caposavi Vesmile, Adviser to the Minister of Culture, who guided the various contributions dedicated to the significance of the Jubilee and the unique experience it represents, as recounted in the volume.

The event also provided an opportunity for dialogue between the ecclesiastical and institutional spheres and the cultural community, in the spirit of the legacy left by the Jubilee and its prospects for the future.
